### IMPORTANT NOTICE

#### To all Greenside Scorers/Course Scoreboard Operators

Many thanks for offering your assistance in this important role during the Espirito Santo at Grange East and West and the Eisenhower Trophy at Grange West and Royal Adelaide. The giving of your time is much appreciated and we hope that you enjoy the experience.

The roles of greenside scoring and scoreboards on course are most important as your input of scores from your respective holes will bring immediate results for people watching the tournament around the globe via the internet.

To educate you on the technology and processing of scores after players have completed each hole, it is **VITAL** that you attend an education session conducted by Mark Laesch for the USGA.

These are scheduled as follows:

Thursday 2 October – 10.00am and 2.00pm at The Grange Golf Club

Monday 13 October – 10.00am and 2.00pm at the Royal Adelaide Golf Club

Note: Those rostered on for the Espirito Santo **must** attend on 2 October, those doing the Eisenhower Trophy can attend either venue, however it is most important to be aware of the operation required of the technology used.

Please keep referring to the rosters on the Golf SA website and any queries before the sessions can be directed to me on (h) 8356 1193 or (m) 0417 084 178 or e-mail at [josiehow@bigpond.net.au](mailto:josiehow@bigpond.net.au).

Yours sincerely

Peter Howard  
Chief Scorer
